The Department of Education can confirm that as of end May, 15,589 Ukrainian pupils had been enrolled in schools across Ireland. Out of that figure, 10,105 of these pupils had been accommodated in primary schools while 5,484 pupils had enrolled in post-primary schools.

Current data indicates an enrolment rate of 88% among Ukrainian children aged 5-18.

To assist with the transition of Ukrainian students and their families into Irish schools Regional Education and Language Teams (REALT) continue to operate, hosted by the 16 regional education and training boards around Ireland and staffed by regionally-based education support personnel.

These teams are ensuring that clear, accessible information flows are in place between schools, local education support services and national support structures in relation to people arriving from Ukraine.

Information for parents in Ukrainian and Russian on accessing school places is available on [gov.ie/ukraine](https://www.gov.ie/ukraine). (<https://www.gov.ie/en/campaigns/bc537-irelands-response-to-the-situation-in-ukraine/>)

The department will continue to publish figures on the enrolment of Ukrainian children each month.
